Dear Judge Crotty:

On behalf of Lead Plaintiff Ontario Teachers' Pension Plan Board and Plaintiff Minneapolis Firefighters' Relief Association, we respectfully request leave to file a single brief of up to 60 pages in opposition to the three motions to dismiss filed by Defendants Bristol-Myers Squibb Company, Peter R. Dolan, and Andrew G. Bodnar, instead of filing three separate opposition briefs of up to 25 pages each. Our single brief of up to 60 pages would be filed on December 17, which is the due date for Plaintiffs' opposition to the motions of Bristol-Myers and Mr. Dolan. (Plaintiffs' opposition to Mr. Bodnar's motion is currently due on December 20.)

Counsel for all Defendants have consented to this request, provided that Bristol-Myers may file a reply of up to 15 pages if Plaintiffs' opposition devotes more than 25 pages to Bristol-Myers' motion.

Respectfully submitted,

Salvatore Graziano/JKC
